### Asset Planning Management: Asset Scheduling

Date and Time: Wednesday, February 1 7:00 am - 6:00 pm

Address: Online, 8115 Franklin Avenue, Fort McMurray, AB, T9H 2H7

**14 hours, \$495**

Managing a daily backlog and ensuring prioritized activities are enabled in the most economical way are focus areas of this module. Why do we schedule to 100%? Who owns the schedule? There is much debate over these questions and discussion will provide answers and ideas for running a successful project schedule. Exercises allow participants to practice these skills in a team based environment.

Asset Scheduling is a self-paced online course. Students have one month to complete it (February 1 - 25, 2023)

### Winter 2023 - First day of classes (Advanced Care Paramedic S5)

Date and Time: Wednesday, February 1 8:00 am

Address: Keyano College 8115 Franklin Avenue

Advanced Care Paramedic S5 first day of classes for the Winter 2023 semester.

## Thursday, February 2, 2023

---

### Asset Planning Management: Asset Planning

Date and Time: Thursday, February 2 7:00 am - 7:00 pm

Address: Online, 8115 Franklin Avenue, Fort McMurray, AB, T9H 2H7

**14 Hours, \$495**

The basics of planning maintenance activities are addressed in this module; planning processes are defined and job plan creation is explored. Planning is future-based but the importance of Planners monitoring execution and acquiring feedback is fundamental to the success of a project. Exercises allow participants to practice these skills in a team-based environment.

The Asset Planning course is an online self-paced course. You will have one month to complete it (February 1 - 25, 2023)

## MLA 9 Citation Style Workshop

Date and Time: Thursday, February 2 12:00 pm - 12:45 pm

Address: 8115 Franklin Avenue, Fort McMurray, AB T9H2H7

Introduction to the basics of MLA style, including formatting your assignments and citing your sources. Workshops are free and are held in the Library Computer Lab.

## Spanish Level 1

Date and Time: Thursday, February 2 6:30 pm - 8:30 pm

Address: BL144, 8115 Franklin Avenue, Fort McMurray, AB, T9H 2H7

We recommend the CELANG 210 - Spanish Level 1 course for beginner-level Spanish students or for those who plan to travel to Spanish speaking countries. You will learn:

- The basics of speaking, listening, reading and writing in Spanish
- How to introduce yourself, tell time, give and ask for basic information, speak about everyday actions and learn useful phrases in Spanish-speaking countries
- Comprehension and speaking skills

Spanish Level 1 runs Thursday, from 6:30 p.m. - 8:30 pm.

Starting February 2, 2023.

Ending April 6, 2023.

TEXTBOOK: Easy Spanish Step by Step, Barbara Bregstein, MacGraw Hill. (Required). An English-Spanish dictionary is strongly recommended for Spanish courses.

### Project Management: Measuring and Reporting on Project Activity (Hyflex/In-person)

Date and Time: Saturday, February 11 8:00 am - 4:00 pm

Address: CC212 (Hyflex) 8015 Franklin Ave, Fort McMurray, AB T9H 2H7

**14 Hours, \$595**

This course presents the main concepts of measuring project performance to ensure a project stays on track. Learners will focus on deliverable metrics, baseline performance, control values, forecasts and troubleshooting. With a focus on newly emerging workplaces and evolving company and business needs, project managers need to demonstrate accountability, make sure project deliverables are meeting expectations, tracking the utilization of resources, and make sure the stakeholder's needs are met. The course has a cross-directional approach, immersing the students in Monitoring & Controlling practices in close connection with Deliverables and Delivery and Uncertainty mitigation practices.

Measuring and Reporting on Project Activity is a two-day (February 11-12, 2023) and is offered via Hyflex and in-person

## **Lecture Series: Three Chords, The Truth, and Manic Panic Hair Dye: What is Punk and How to Be One**

Date and Time: Friday, February 17 7:00 pm - 8:30 pm

Address: Wood Buffalo Regional Library

Since its noisy emergence in the 1970s, Punk has made an indelible impact. It has informed music, fashion, film, and literature. It has been revolutionary and co-opted and liberated again. It has been declared dead more than once but those deaths never seem to stick. So what is it? Join us to discuss what punk was, what it is, and what it means—even how to be one—with an aging punk who you'd think would know better by now.

Admission is free, and no registration is required.

## **EDMONTON POPS ORCHESTRA**

Date and Time: Friday, February 17 7:30 pm

Address: Keyano Theatre 8115 Franklin Avenue

**Presented by Keyano Theatre & Syncrude Arts Alive**

The Edmonton Pops Orchestra combines music, dance, and storytelling to create dynamic and intimate concert experiences. This family-friendly journey will sweep you off to Broadway with music from Wicked, Grease, The Greatest Showman, and more.

Now in its fifth season, the Edmonton Pops Orchestra adds vibrance and sophistication to Edmonton's music scene with original arrangements of jazz, classical, pop, and Broadway! The result is music that is undeniably fresh and distinctly local.
