The Invisible - Agents of Ungentlemanly Warfare

Date and Time: Thursday, May 2 8:00 pm

Address: Keyano Theatre

Catalyst Theatre's newest original work, presented first on the Keyano Theatre stage.

The Invisible – Agents of Ungentlemanly Warfare focuses on an elite team of female spies, members of the “Ministry of Ungentlemanly Warfare”, secretly created after the fall of France in 1940 to sabotage the Nazi war machine. Charismatic Canadian millionaire William Stephenson convinced Churchill & Roosevelt that the Nazis could only be stopped by taking the war off the battlefield & putting it in the hands of civilians, waging a secret guerrilla war & ‘setting Europe ablaze’!

As male agents were increasingly identified & targeted by the Nazis, however, female agents were recruited from around the world & trained at secret camps throughout the UK & Canada. Inspired by the stories of this international team of female agents, we're reimagining their struggle through a 21st Century lens. Drawing upon historical research, film noir, spy fiction, & graphic novels, The Invisible is a genre busting, multilingual, “film noir musical” for our times, a contemporary portrait of seven extraordinary women who risked their lives to fight a dangerous war of sabotage, propaganda & espionage during WWII, only to find themselves betrayed by the very world they believed they were fighting for.

Waypoints presents “I am Evidence”

Category: Movie screening

Date: May 29

Time: 7pm

Tickets: \$0

Venue: Recital Theatre

I AM EVIDENCE exposes the alarming number of untested rape kits in the United States through a character-driven narrative, bringing much needed attention to the disturbing pattern of how the criminal justice system has historically treated sexual assault survivors.

Why is there a rape kit backlog? What can we do to fix the problem? This film explores these questions through survivors' experiences as they trace the fates of their kits and re-engage in the criminal justice process. I AM EVIDENCE illuminates how the system has impeded justice while also highlighting those who are leading the charge to work through the backlog and pursue long-awaited justice in these cases.

In this film, we seek to send a clear message to survivors that they matter, that we as a nation will do everything

possible to bring them a path to healing and justice, and that their perpetrators will be held accountable for their crimes.
